Combined overtime expenditures for full-time and part-time employees fiscal year-to-date (excluding the final payroll of the year) total \$83,838.96. Once the final payroll is processed, total overtime is expected to exceed \$90,000, compared to a combined overtime budget of \$31,000.00.

This coverage is directly tied to current staffing challenges. We have had two full-time employees off, one of whom has since retired, while the second remains off due to injury. During this period, staffing has only been forced to a minimum level of three, resulting in Station 3 being covered by administrative staff or an on-call firefighter responding from home. In worst-case scenarios, when a fourth firefighter is not available, Station 1 has been used to backfill coverage.

# November / December 2025 Fire Board Chief's Report

## Chief Matt Weil

Based on current conditions, December is expected to mirror these trends. Elevated overtime usage is likely to continue until the vacant position is filled and the injured employee is able to return to full duty.

### Kier Road Fatal Fire assist to Springfield/Groveland FDs

On December 1, Oakland County Central Dispatch received a report of fire visible through the woods in the area of Oak Hill Road and Kier Road. Upon investigation, it was determined that a structure fire was involved. The incident was initially dispatched to Springfield Township; however, it was later confirmed to be located within Groveland Township.

In accordance with existing mutual aid agreements and BOX card assignments, our department was requested to respond along with other mutual aid agencies. The fire involved a shop/pole barn/detached structure, which was being occupied as a living space. Following an extensive and thorough search of the structure, one deceased occupant was located inside.

### **Financial Audit**

---

### **Health Care**

To remain within the department's approved line item for employee health care, the department transitioned to a single health insurance plan and expanded the existing cost-sharing program. Prior to the start of the new benefit year on January 1, 2026, the department offered two separate health care plans with two different cost-sharing structures, one of which required an employee contribution and one that did not.

## November / December 2025 Fire Board Chief's Report

### Chief Matt Weil

---

Through collaboration with the affected members, the department agreed to transition to a high-deductible health plan (HDHP) with a Health Savings Account (HSA). As part of this change, the cost-sharing program was standardized across all participants, ensuring that all members contribute an equal share toward health care costs.

---

#### **Retirement Announcement**

Firefighter/Paramedic Wade Spade made the decision to retire from our service earlier this month. Wade joined the department in 2022 as a part-time team member and transitioned to a full-time role in 2023.

Wade's contributions to the department and dedication to the communities we serve are appreciated, and he will be missed by his colleagues. We wish him the very best as he moves into the next chapter of his life.

Matt,

As I reflect on our recent HollyDays event, I can't help but feel an overwhelming sense of gratitude. I want to personally thank you for the incredible support and enthusiasm you brought to the event. Specifically, your team's participation in the HollyDays Parade.

Seeing our community come together in such a vibrant way was truly heartwarming. From the local businesses that stepped up with sponsorships and donations to the volunteers who shared their time and energy, every contribution made a significant difference. Your efforts helped create an atmosphere filled with joy, laughter, and togetherness—exactly what the event is all about.

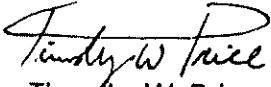

I loved watching families enjoy the festivities and friends enjoying music at the Moose tent. It reminded me of how special our community is and how fortunate we are to have each other. Your dedication to Holly is inspiring, and it's this spirit that makes our village such a wonderful place to live.

Thank you once again for being a vital part of this event and for your continued support. I'm excited about what we can accomplish together in the future, and I hope to see you at our upcoming gatherings.

If you need anything from me, please contact me at [tprice@hollyvillage.org](mailto:tprice@hollyvillage.org) or at (248) 634-9571.

Thank you for your again for your support to our community!

Warm regards,

# SPRINGFIELD CHARTER TOWNSHIP

Dear Chief Matt Weil and The North Oakland County Fire Authority,

On behalf of the Springfield Township Fire Department, Chief Covey and I want to extend our deepest gratitude for the incredible support you showed during one of the most difficult times in our department's history.

The loss of our brother, Lieutenant Jon Miner, was a tragedy that has left a lasting void in our ranks and in our hearts. Jon's dedication, leadership, and friendship will forever be remembered and missed. He always had an infectious smile and brought a positive energy that lifted the morale of everyone around him. During this heartbreakin loss, your departments stepped forward without hesitation, providing coverage, manpower, and unwavering support so that our team could take the necessary time to grieve, reflect, and begin to heal.

It was a profound comfort knowing that our community was in capable hands, cared for by those who understand the calling and sacrifice of this profession. Your willingness to stand shoulder to shoulder with us is a true testament to the brotherhood and sisterhood that bind the fire service together.

Times like these remind us that the strength of our fire service family extends far beyond township lines. We are united by a shared mission and a shared heart for service. We often hear many express how humble and grateful they are to serve alongside you.

Lieutenant Miner's legacy will continue to inspire each of us to serve with courage, compassion, and commitment to the communities we protect.

From all of us here in Springfield Township, thank you for standing with us.

With deepest respect and appreciation,

Ric Davis Springfield Township Supervisor

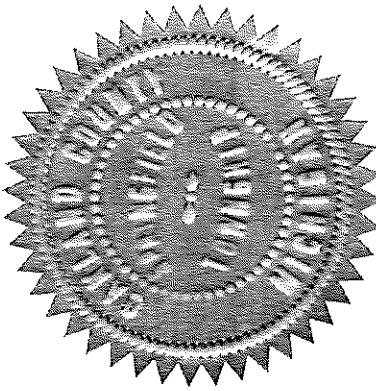

Chief Matt Covey Springfield Township Fire Department

# CERTIFICATE OF APPRECIATION

THIS CERTIFICATE IS PROUDLY PRESENTED TO:

*Chief Matt O'Dell*

On Behalf of Springfield Township. We would like to extend our heartfelt thanks to your department for stepping in during a time of deep sorrow. After the tragic loss of our brother, L.L. Jon Miner, on October 19<sup>th</sup>, 2025, several departments covered our township emergency services during the first 48 hours following the accident and again during the 36 hours surrounding the funeral on October 30<sup>th</sup>, 2025. Your support allowed our firefighters the space to grieve and honor Jon's life. These certificates represent more than appreciation. They reflect unity, service, and the strength of the fire community. From the bottom of our hearts, thank you for being there when we needed you most.

*Ric Davis*
