**Special Meeting of the Rose Township N2N
Discussion of the proposed mining site in Springfield Township**

This one is different...

Unlike other N2N gatherings, this time, your entire Rose Township Board will be available to answer questions on what we have done so far, what we plan to do in the future, and what we do and do not have any control over.

Bill Thompson, Rose Township Assessor, will be present to answer questions related to the potential effects on home values.

And additionally, Kara Okonewski, from Oko Environmental, will be there to answer questions regarding environmental concerns. Kara is an environmental educator and researcher with experience in wildlife studies, data analysis, and community engagement.
