

All Rose Township residents are invited to attend the monthly Neighbor to Neighbor gatherings, held on the last Wednesday of each month at 7:00 PM in the Old Town Hall. Check the calendar section of this website for cancellations and changes.

I (Debra, Rose Township, Trustee) started these meetings in January, and they've turned out to be a great opportunity for residents to connect with board members (typically Mike Maher, Trustee and me) to ask questions, share concerns, or simply get to know others in the community.

The group keeps growing, and we're excited to welcome even more new faces this week. If you have any questions, feel free to email me at debratruster@rosetownship.com
