ANDERSONVILLE RD., DAVISBURG RD. TO WHITE LAKE RD. IN SPRINGFIELD TWP., EXPECTED TO CLOSE FOR ONE DAY ON OCT. 10 FOR CULVERT WORK

Beverly Hills, MI — The Road Commission for Oakland County (RCOC) expects to close Andersonville Road, from Davisburg Road to White Lake Road in Springfield Township, for one day on Saturday, Oct. 10, to remove and replace a failed culvert.

If inclement weather prevents the work, crews will move the culvert project to Sunday, Oct. 11.

The road will reopen the same day.

The detour for through traffic is Davisburg Road to Ormond Road to White Lake Road, back to Andersonville Road and vice versa. Access to homes and businesses will be maintained east and west of the culvert work, located on Andersonville Road, between Farley Road and Edgar Road.

Strata, Inc. of Clinton Township is the contractor doing the work. This section of Andersonville Road carries approximately 5,540 vehicles per day.
