

## Make a Difference Become an Election Inspector

Rose Township needs pleasant, hard-working, dependable people to work as Election Inspectors. This is a wonderful way to meet and work with some remarkable people, provide a valuable service to the community and earn a little extra cash. On Election Day, inspectors are assigned to one of the Township's three precincts, working the polls from open to close. With the new early voting option, inspectors are also needed to work one or more days in the nine days leading up to the primary and general elections.

### Qualifications

U.S. Citizen; 16 years of age or older; Registered Voter in Michigan, (if 18 or older).

### Training

Election Inspector certification training is required. Training is online and convenient.
