Rose Township Clerk and Board of Trustees Celebrate and Thank Our Election Inspectors and NOCFA

We Recognize the Dedicated Individuals Who Make Our Elections Possible
Rose Township extends its sincere appreciation to the many individuals whose excellence, dedication, hard work, and commitment help ensure that our elections are conducted smoothly, securely, and professionally.

To Our Election Inspectors — Thank You!
Our election inspectors play an essential role in the democratic process. Their responsibilities begin long before the first voter arrives and continue well after the polls close.

Arriving at their assigned precincts before 6:00 a.m., election inspectors prepare for a long and demanding day. They welcome voters, verify eligibility, issue ballots, assist voters, safeguard election materials, and ensure that election procedures are followed accurately and impartially.

When the polls close at 8:00 p.m., their work is far from finished. Inspectors must carefully account for ballots, reconcile records, secure election equipment, and complete the required documentation before their responsibilities are concluded.

We recognize that serving as an election inspector requires patience, attention to detail, teamwork, and a considerable commitment of time. Their professionalism, courtesy, and dedication to serving our residents are deeply appreciated.

A Special Thank You to the North Oakland County Fire Authority (NOCFA)
Rose Township would also like to express its sincere gratitude to the members of the North Oakland County Fire Authority (NOCFA) for their invaluable assistance before and after our elections.

NOCFA personnel work tirelessly to set up election equipment and prepare our precinct facilities in advance of Election Day. Following the election, they return to assist with dismantling equipment and restoring the facilities.

These physically demanding, behind-the-scenes tasks are essential to the successful operation of our polling locations. Their willingness to assist outside the public spotlight reflects the spirit of teamwork and community service that makes Rose Township such a special place.

We are fortunate to have a local fire authority whose commitment to our community extends beyond emergency services.

A Community Effort Worth Recognizing

Successful elections depend on more than the work that voters see when they arrive at the polls. They require careful preparation, coordination, long hours, and the cooperation of many dedicated individuals.

To our election inspectors, NOCFA personnel, and everyone who contributes to the election process: **Thank you for your time, your service, and your commitment to Rose Township.**

Your efforts do not go unnoticed, and they are sincerely appreciated.
